

Bewitching Designs

A witch, a broom, and a sweet tooth.

Some modern designs might scare you senseless. Others provide haunting images of inspired modern living.

Here's a treat for you. A grab bag of this and that designed for an inspired break in the middle of a hair-raising day!

Inspiration Break:

Take a seat on this Witch Chair.

Sweep your cares away with this elegant Broom
www.brandvanegmond.nl (click on Collection/ then Lighting/ then Broom/ then Details box)

Enjoy a real treat. www.oriolbalaguer.com Oriol Balaguer's sweet creations have been described by Chef Markus Bohr as "A bit like Philippe Starck, only better tasting."

If you can't wait, and need chocolate now, then go local and visit: www.dcduby.com/exotic Don't blame us for the waistline woes!
